

SHAP contribution of Disturbance group by Absolute Mortality (M04, 24m)

C+T+D model | % of total per-site SHAP explained by disturbance variables

SHAP contribution of Disturbance group by Relative Mortality (M04, 24m)

C+T+D model | % of total per-site SHAP explained by disturbance variables

SHAP contribution of Disturbance group by Relative Disturbance (M04, 24m)

C+T+D model | % of total per-site SHAP explained by disturbance variables
